- 4.92-Child's informal assessments
- 4.92-Overall care provided

**10 out of 12 rated us with all 5 including Overall care provided.**

### Comments were.

- My child is **very** happy & comfortable here!
- Keep up the **great** work!
- My husband & I are truly happy with the center! The staff are all wonderful. I feel very confident knowing that she'll receive excellent care with Building Blocks! Continue to encourage healthy snacks, please.
- I think the snow day closing time is not conducive to enhancing profitability of the center. I can understand a 1 hour delay in the morning to start, but closing 1 ½ hrs in the morning and also at night doesn't allow parents to put in a full work day either...-- *This policy is stated in our handbook. We have our Snow policy in effect for severe storms. We want everyone to get to work safely, including our staff. We are fortunate that this policy is rarely in effect. We make every effort to be open for business on time with a major snow storm. From the day this center opened we have had one bad weather school closing and 1 delay to start because of bad ice snow conditions. This concern was addressed at the time and we are hopeful that it is resolved.*
- My children love their school & teachers they constantly sing their songs & imitate the teachers (back patting, ect) I am very happy with Building Blocks. Great Job Everyone!!
- Fix the basket ball hoop by the garage.- *We want a basket ball hoop but we feel that the area by the garage is not a safe zone.*
- She's come home using sign language much more now & her vocabulary is booming.

### Questions-

99% of the statements were answered with a Yes. Their were only ? for the following statements.  
Trained in First aid and CPR- *Yes, our staff is certified.*  
Hand washing after toileting and before and meals and snacks? *Yes, we do.*
