To take on the world, your child will need a solid foundation of learning. So for their first school experience, why would you choose anything other than a school that can provide a quality early childhood educational experience?

Building Blocks offers an anything but traditional program. We support the child's natural curiosity. Our goal is to create lifelong learners. We follow the child's interest and encourage exploration while viewing the children as researchers of their world, continually reconstructing knowledge.

We draw our inspiration from many sources but three in particular are the child development theories of Jean Piaget and Lev Vygotsky and the early childhood programs in Reggio Emilia, Italy.

Building Blocks Preschool teaching staff is highly trained and dedicated to providing the best in early childhood practice. All Lead Teachers have a minimum of a Bachelors Degree in Early Childhood or a related field along with our assistant teachers holding Associates Degrees along with years of experience and training.

Register today and allow your preschooler to take on the world!

BUILDING BLOCKS PRESCHOOL TRADITIONAL PRESCHOOL PROGRAM

SCHEDULE: The Traditional Preschool Program will follow the 2011-2012 Huron Valley School District Calendar. When Huron Valley School District is closed the Traditional Preschool Program will not be held. Wednesday, September 7, 2011 will be a special welcome day for the Traditional Morning Preschool class. The 2011-2012 Traditional Preschool Program concludes the second week on June 2012.

PROGRAM FEE: A \$200.00 Program fee which includes a registration fee, activity and materials fee, and deposit is due at the time of enrollment. Payment of this \$200.00 program fee reserves your child's space in our 2011-2012 Traditional Preschool Program. \$100.00 of the program fee is considered a refundable deposit and will be applied to your last month tuition payment.

TUITION PAYMENT SCHEDULE: Tuition payments are due on or before the 1st of the month as follows:

September 1, 2011	October 1, 2012	November 1, 2011
December 1, 2012	January 1, 2011	February 1, 2012
March 1, 2011	April 1, 2012	May 1, 2012
		June 1, 2012

Tuition Express automatic withdraws, cash, check or money orders are accepted at this time.

DISCOUNT OPTIONS: Receive a \$100.00 discount if tuition is paid in full on or before September 1, 2011. A Sibling Discount of 10% off monthly tuition is provided.

REFUND POLICY: Program Fees are non-refundable. \$100.00 of the Program Fee is refundable toward June's tuition payment. Tuition refunds will only be given if your child's space can be filled.

LATE PAYMENT FEE: A \$20.00 late fee will be applied to your account if tuition payments are not received by the 5th of the month. Your child's tuition has to be current in order to continue attending the program.

ABSENCES: All fees collected are used entirely to support this program. Because the expenses of operating the program are ongoing and a space has been held for your child, tuition adjustments will not be made for absences when your child misses school due to illness, vacation, or other circumstances.

PRE-K PLUS PROGRAM: This program is offered as a 3, 4, or 5 day program from Monday through Friday for 2 hours in the afternoon for children entering into Kindergarten the next school year. The Pre-K Plus curriculum will be an enhanced version of our existing Traditional Preschool Program to further enrich children's developmental needs and ease their transition into Kindergarten. Priority registration will be available to children that have completed one or more years of the Traditional Preschool Program. Children will bring a healthy sack lunch each day.
